

# Moving towards a net zero economy

At **Modulaire Group**, we are committed to creating **smart spaces** for people to work, learn and live, with **circularity** and **sustainability** driving our approach.

## Our targets by 2025:

**-10%**

total gross  
emissions in  
metric tonnes  
CO<sub>2</sub>

**-50%**

waste to  
landfill per  
typical unit

**-10%**

waste  
consumption

**-15%**

carbon  
emissions  
of logistics  
vehicles

## How are we going to do it?

The group and its employees are strongly involved and fully committed to this environmental approach. Our company is financed by a **EUR 2.75 billion** bond linked to our **sustainability targets**.

Energy-  
efficient  
heating  
installation

Fleet  
electrification

Partnership  
with recycling  
facilities

Employee  
behavioral  
training on  
resource  
saving
